Dear Miroslav

So happy to meet you

You say "in March" next month

I am not in March next month.

But part, yes - maybe you mean that.

Smiley for now

Dear Miroslaw

I got your letter & casette.

Sorry no contact whatsoever with TV stations.

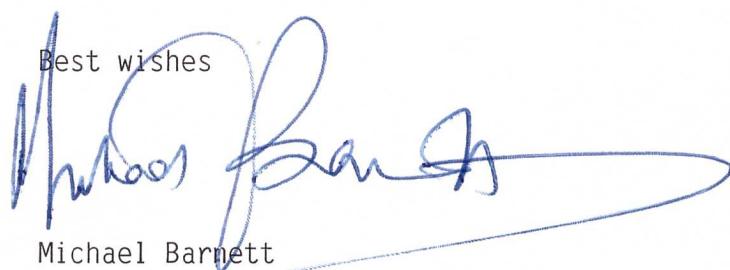

On the contrary!

They are not very open in France to anything a bit out of the ordinary, so you'll have a problem anyway, I'd say.

We are already having many.

I advise you to keep wide of France.

Best wishes

Michael Barnett
